

# 2019 GRADUATE REPORT

*Employment & Transfer Statistics*

Dear Friend of Southeast Community College,

On behalf of the Board of Governors, the alumni, faculty, staff, and students of this excellent institution, I am pleased to present Southeast Community College's Graduate Report. The report includes graduation and employment statistics associated with 2019 graduates from all of our applied technology and transfer programs.

The report includes the total number of graduates and degrees granted, the number employed within the training-related field, the number continuing their education, the percent employed within Nebraska, and the average starting salary for SCC graduates. In addition to graduation and employment statistics, the report includes the colleges and universities to which our graduates transferred as well as the employers and starting positions associated with each of SCC's program graduates.

This report represents one of our many efforts to evaluate the success of our programs and the degree to which we are accomplishing our mission.

SCC is committed to its mission of providing the highest quality applied technology and academic education opportunities to its 15-county service area. In 2019, SCC had nearly 1,400 graduates, with 94 percent employed or continuing their education immediately after graduation. Ninety percent of our employed graduates are working in Nebraska. SCC is vital to the local economy by providing skilled workers and adding property and tax income by training and graduating wage earners.

SCC has a long history of ensuring that employers have access to qualified graduates who have the skills needed for successful and productive employment. SCC continually seeks to align its programs with the specific needs and requirements of employers and transfer institutions. We are committed to meeting the educational needs of our students, employers and the community.

Sincerely,

A handwritten signature in black ink that reads "Paul Illich". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Paul Illich, President  
Southeast Community College

The mission of Southeast Community College is to empower and transform its students and the diverse communities it serves. The College provides accessible, dynamic, and responsive pathways to career and technical, academic transfer, and continuing education programs. Student success and completion is maximized through collegiate excellence, exemplary instruction, comprehensive student support services, enrichment programs, and student-centered processes. SCC is committed to a proactive and evidence-based approach that continually assesses and responds to student, community, and employer demand for higher education.

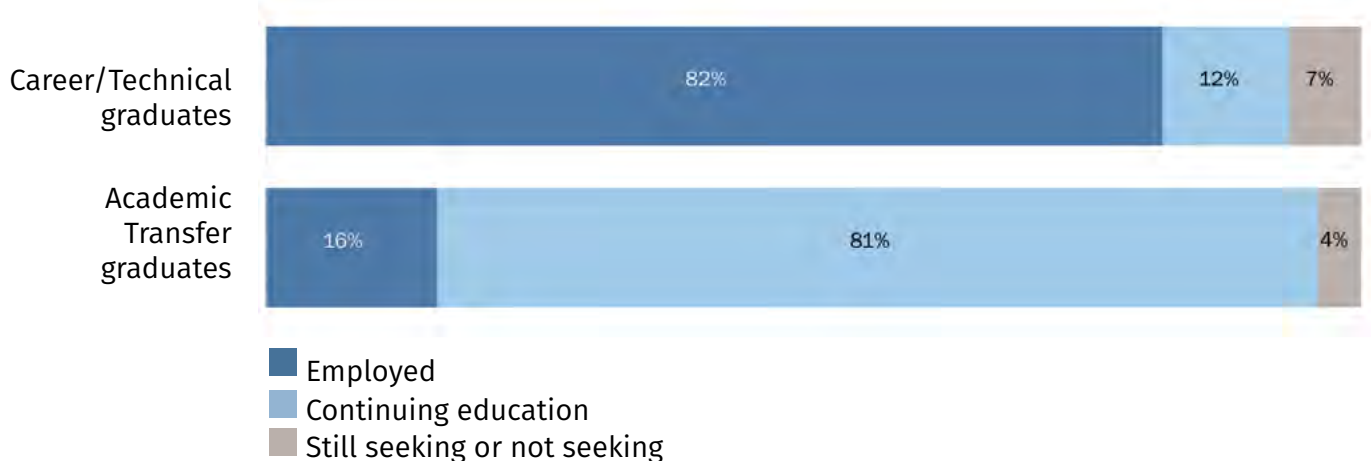

# 94% SUCCESS RATE

SCC graduates who are employed or continuing their education.

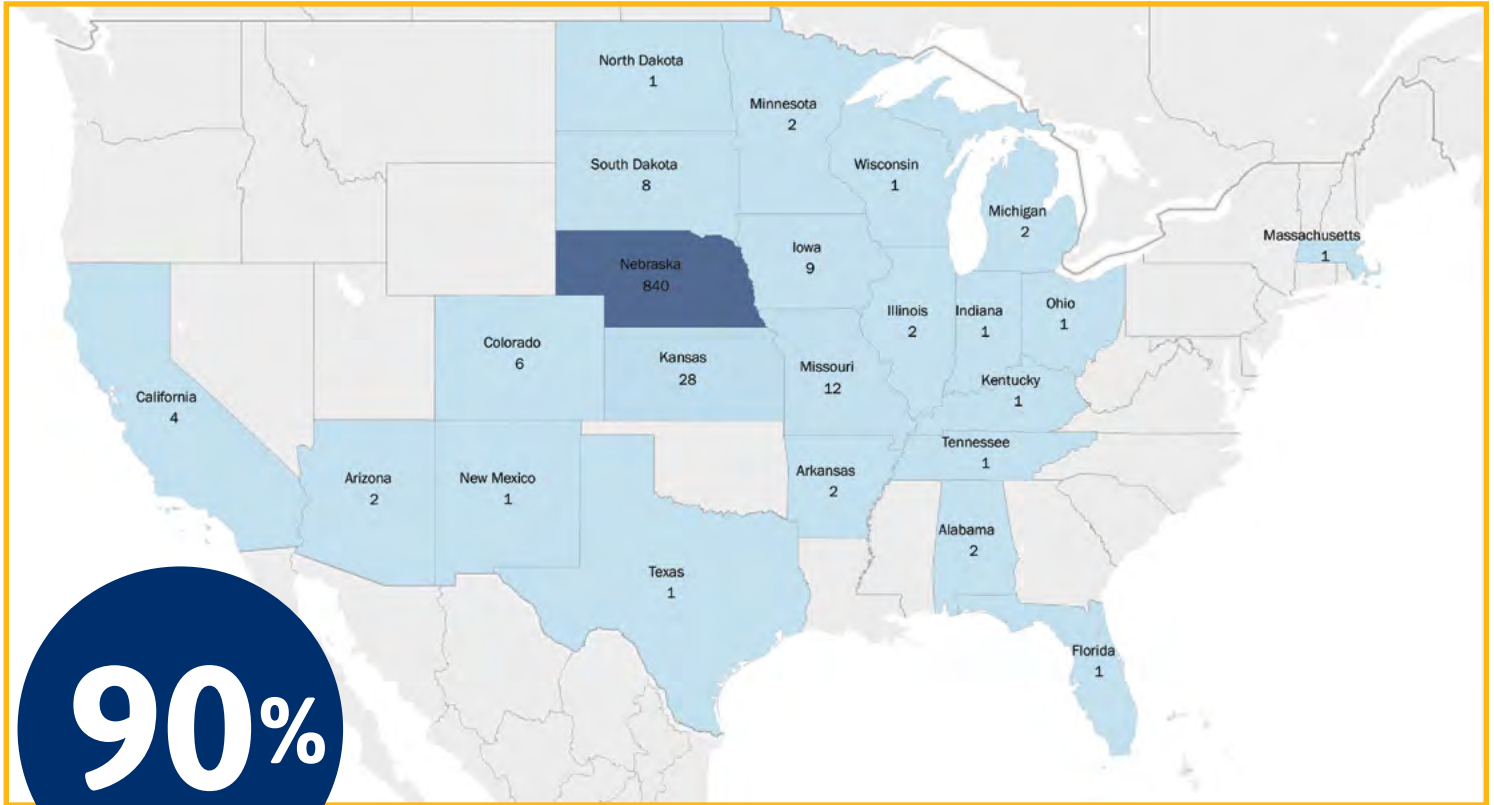

Of 1,376 graduates during the 2019 year, 6.1% of those who responded were not employed or continuing their education.

## Employment and Transfer

A large majority of the 1,105 graduates from Career/Technical fields who responded are employed (82%), and a large majority of the 154 Academic Transfer graduates who responded are continuing their education (81%).

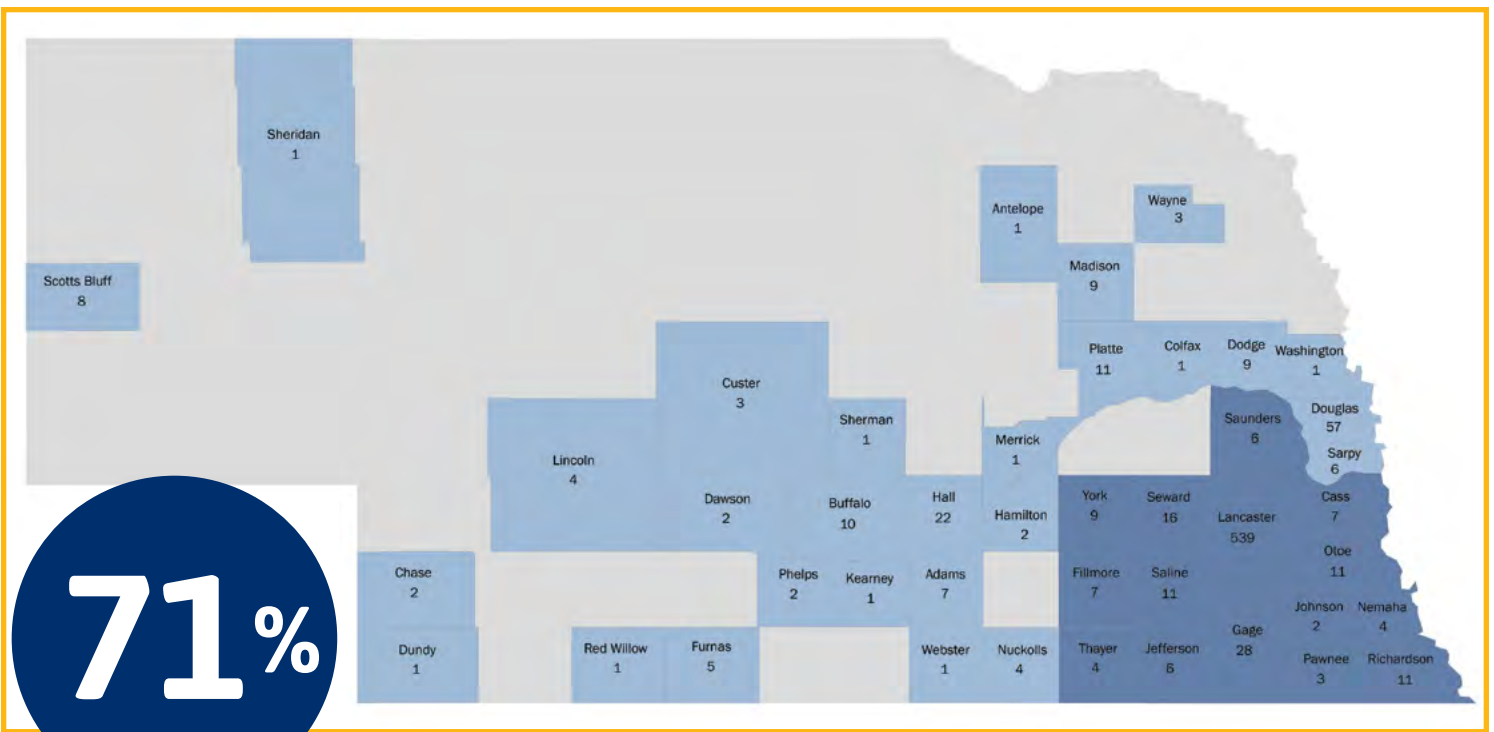

# STATE AND REGIONAL IMPACT

90%

of employed graduates are working in Nebraska.

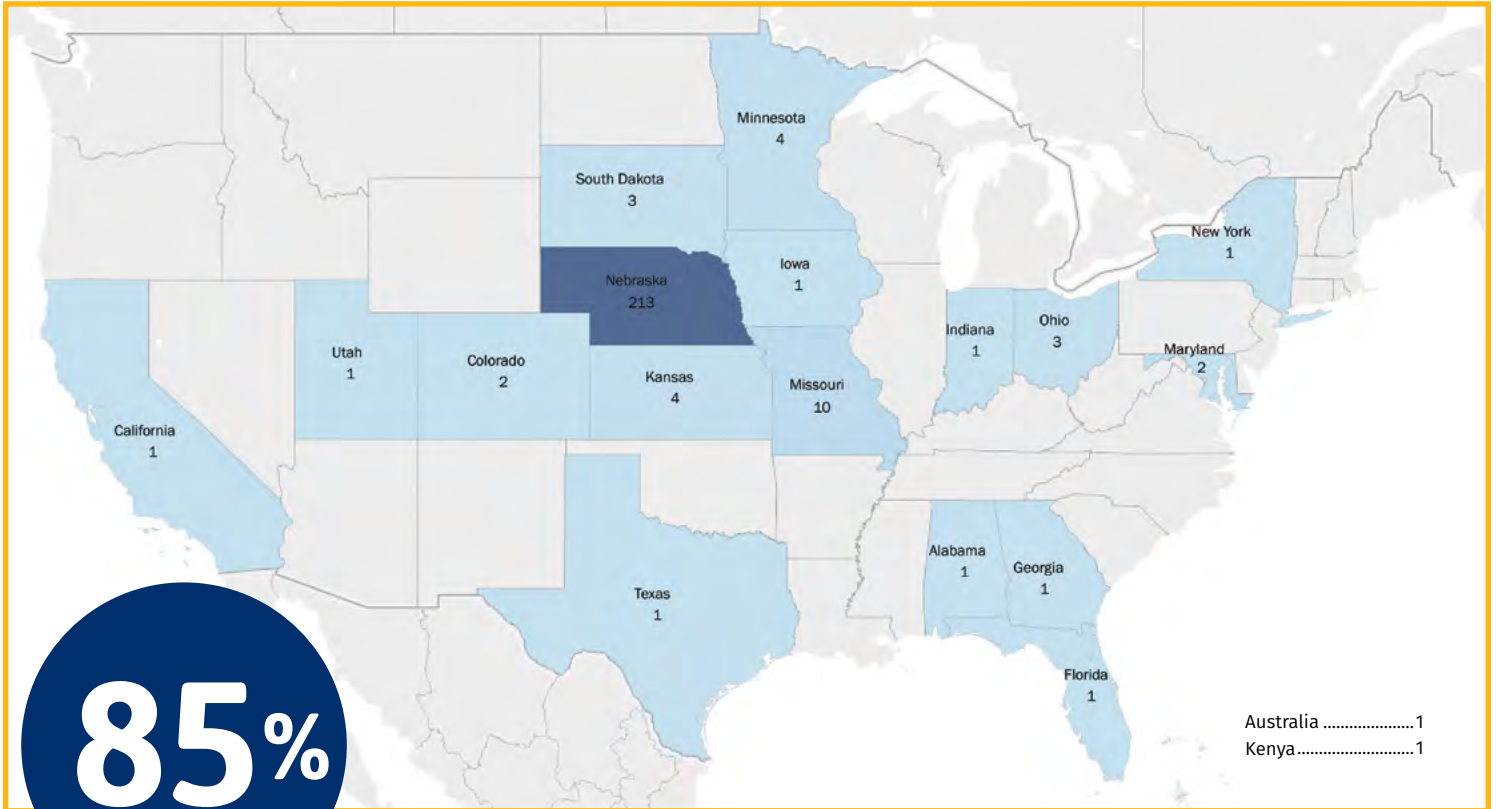

Total employed: 929

71%

of employed graduates are working in our 15-county service area.

# CONTINUING EDUCATION

**85%**

of graduates who are continuing their education are doing so in Nebraska. *Total continuing education: 252*

## Gathering Data

Information about the post-graduation status of SCC graduates was collected directly from the graduates at or near the time of graduation and from the National Student Clearinghouse. The information was collected by the Career Services Offices at the time of graduation through personal conversations, classroom visits, telephone calls, emails, mailings, texts and social media.

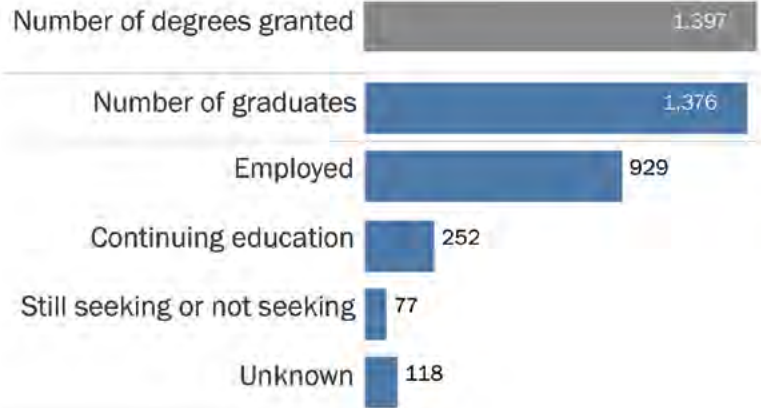

Wage and employment information has been self-reported by graduates for their first job after graduation. Self-reported continuing education status was supplemented with information from the National Student Clearinghouse.

Twenty-one (21) graduates completed multiple degrees during 2019. All percentages and location-based counts use the unique number of *graduates*. The data table is based on the number of *degrees*. In the data table, the graduates who completed multiple degrees will be counted multiple times, once for each degree they received.

- **Number of degrees granted: 1,397**
- **Number of graduates: 1,376**
- **Number of graduates who responded: 1,258**
- **Response rate: 91.4%**

## 2019 Graduates in Numbers

<b>2019 Totals</b>	<b>1,419</b>	<b>853</b>	<b>102</b>	<b>263</b>	<b>201</b>			

All salaries are based on a 40-hour work week unless noted. Salary statistics reflect certificates, diplomas and associate degrees. The graduates in the "Still Seeking, Not Seeking, No Response" column are not included in the percentage calculations.

<sup>1</sup> Salaries were not reported for a large enough sample and have been omitted for confidentiality. Values may not add to 100% due to rounding.

<sup>2</sup> Pay plans and benefits vary to include commissions and bonuses.

<sup>3</sup> Must complete 640 hours of a state-specific Administrator-in-Training program.

<sup>4</sup> These programs do not graduate students annually, and data is taken from the 2018 report.

<sup>5</sup> To obtain a sample large enough to report, salary information is based on graduates from 2018 and 2019.

<sup>6</sup> To obtain a sample large enough to report, salary information is based on graduates from 2017, 2018 and 2019.

# HIRING COMPANIES

# COMPLETED CONSTRUCTION

*"I loved how the College was so 'hands-on' and you weren't going to be stuck in a classroom. You get the real-world experience at SCC. I love my program and am so diversified in my agricultural knowledge and experience. I'm so glad I chose SCC as my home!"*

*Madison Yelken*  
*Agriculture Management & Production*

**Milford Campus**

*“The critical thinking skills I’ve learned have opened doors and given me a profound amount of confidence, combined with the vast amount of knowledge presented by the well-rounded instructors. I have discovered just how many places I can go with this degree.”*

*Kylee Guenter  
Precision Machining and  
Automation Technology*

*“SCC prepared me for the real world and sparked in me a love for the medical field I didn’t know I had, and I plan to continue my education to a higher level provider. I’m proud of my SCC paramedic education and I always will be!”*

*Kollin Barnes  
Paramedic*

*“My experience at SCC was unlike any other college experience I’ve had. Not only did I learn more than I ever imagined, I also made great relationships with classmates and professionals. Combining all of that, Graphic Design|Media Arts helped me understand how to be successful after college.”*

*Holly Johnson  
Graphic Design|Media Arts*
