

A-13 POLICY Use of College Facilities

The highest priority for use of the College facilities is assigned to the programs of the College. Use of the College facilities for any purpose other than that is subject to the following priorities, in order,

1. Student organizations recognized by the College.
2. Faculty or staff organizations recognized by the College.
3. Educational or governmental agencies other than the College.
4. Non-profit organizations located within the College Area.
5. Other organizations.

The College may require any organization requesting use of the College facilities to provide adequate liability insurance including the College as an additional named insured.

Any activity or material which conflicts with state or federal law, mission, policies, or programs of the College which is obscene or threatens, or are reasonably likely to result in, injury to persons or property is strictly prohibited.

Rental fees may be charged to outside organizations using the College facilities if the fee is based upon a standard fee schedule developed by and for each campus. Any extra cost incurred by the College through use by an outside organizations shall be billed to that organization.

College administration is charged with developing and monitoring procedures related to the use of College facilities.
