

Transferology.com

Transferology is an online tool that allows you to add your SCC courses and explore transfer options. Transferology makes it easy to find which four-year schools offer courses equivalent to your SCC courses and then apply them to specific majors.

Get started now!

1. Go to www.transferology.com and click “Explore My Transfer Options” to set up an account.
2. You will then be taken to a screen where you can enter the SCC courses you have taken and plan to take in the future. You can also enter classes from other colleges you have attended.

The screenshot shows the 'Courses' page on Transferology.com. Handwritten annotations include: 'Select course type' with an arrow pointing to the 'Courses' tab; 'Enter School, Term Taken and Department to begin adding your coursework!' with a red circle around the input fields; 'Find out how your courses might transfer to other schools!' with an arrow pointing to the 'Search for Matches' button; and 'Courses will appear here' with a red circle around the 'My Courses' section.

3. Once you have entered your classes, click on the “Search for Matches” button:

The screenshot shows the 'Courses' page with search results. A red arrow points to the 'Search for Matches' button. The 'My Courses' section displays a list of courses from Southeast Community College Lincoln.

Course	Title	Hours
OFFT1110	Business Communications	4.5
MATH1180	Elementary Statistics	4.5
MATH1150	College Algebra	4.5
JOUR2780	Public Relations	4.5
JOUR1810	Introduction to Mass Media	4.5
ENGL1020	Composition II	4.5
ENGL1010	Composition I	4.5
BSAD2430	Marketing Communications	4.5
BSAD1230	Visual Merchandising and Prom	4.5

4. This will then show the schools that best match the SCC courses you've entered.
- NOTE:** Only schools that subscribe to Transferology will be included. On this screen, you can personalize your results by sorting by state, school type, etc. You can mark a school as your favorite by clicking on the star next to the school. It will then always be at the top of your list.

HOW TO READ UNL PROGRAM INFORMATION

1. **Courses which do not count toward graduation/unused courses** - This could include developmental math and English courses, as well as courses UNL considers to be vocational.

[Expand All](#) | [Collapse All](#)

 **COURSES WHICH DO NOT COUNT TOWARD GRADUATION**

No credit for graduation is allowed in the following courses.

(3.0 HOURS TAKEN)

Sp15 MATH100A	3.0 TC	SCC-LINC: MATH 1100

2. **Community college transfer limit of 60 hours** - A maximum of 60 semester hours (90 quarter hours) of community college credit is accepted by UNL. The student below took the equivalent of 78 semester hours while at SCC. Therefore, it shows 60 hours were accepted, as well as how many hours (18) exceeded the 60 hour limit:

 **COMMUNITY COLLEGE TRANSFER CREDIT - 60 HOUR LIMIT**

A maximum of 60 hours from 2-year, technical and international schools may apply toward total hours.

Applicability of transfer course work toward specific degree requirements may be subject to change if the 60-hour rule has been exceeded. Please contact the CBA Undergraduate Programs Office for further information and appropriate adjustments.

60.0 HOURS ADDED

The number of transfer hours listed below have exceeded the 60-hour limit on community college credit and have been removed from total hours.

Additional course work at UNL may be required to meet total hours toward the degree.

(18.0 HOURS TAKEN)

3. **General Graduation Requirements** – This shows the residency requirement (*) for the program you selected, as well as how many transfer hours have been applied toward the UNL degree and how many hours you still need (**):

 **NO** **GENERAL GRADUATION REQUIREMENTS**

HOW TO ACCESS PATHWAY INFORMATION

From the “Matches” screen that shows the schools that best match the SCC courses you’ve entered, you will see a “Pathways” notation to the right for some of the schools listed. Pathways are static documents that are not interactive with the SCC courses inputted in the student’s Transferology account. There are pathways created for a number of popular transfer majors. Select the green % box for the school you are interested in transferring to and if the institution has created pathways this notation will appear:

The screenshot shows the Transferology interface for the University of Nebraska-Lincoln. At the top, there is a navigation bar with the Transferology logo, a star icon, and a button labeled "Will My Courses". Below this, there are tabs for "Courses (1)", "% Matches (13)", "Favorites (4)", and "Programs (85)". The main heading is "University of Nebraska-Lincoln" with a star icon. A "1 Match" button is visible. A red arrow points to a "Pathways" button in the top right corner of the match details. The match details include a description: "The matches below indicate specific courses you may be awarded after completing and transferring, assuming you earned a passing grade in the transferred course. Matches may change depending upon your major." Below this, it says "Courses from: Southeast Community College" and "Expand all notes". A specific match is listed: "ACFS1015 SUCCESS@SCC 2021 → GNCR****@".

After clicking on “Pathways”, the course equivalencies for a specific major can be viewed.

The screenshot shows the Transferology interface for the University of Nebraska-Lincoln, specifically the "Pathways" page. The navigation bar is the same as in the previous screenshot. The main heading is "University of Nebraska-Lincoln" with a star icon. A "1 Match" button is visible. A "Pathways" button is in the top right corner. The match details include a description: "This transfer pathway displays equivalencies between two schools that lead to at least one degree and is intended for use in planning your education. The providing school(s) have done their best to ensure the accuracy of the pathway, however students are strongly encouraged to speak with advisors at each school before enrolling in courses." Below this, there is a "Select a partner school" dropdown menu with "Southeast Community College" selected. A table lists the pathways from Southeast Community College to the University of Nebraska-Lincoln.
